

Production Rider 2025

NO PERC

*This rider is dated **11/04/2025** version 2*

THE FOLLOWING PROVISIONS SHALL BE DEEMED INCORPORATED AS PART OF THE CONTRACT. FURTHER MORE NO CHANGE SHALL BE ALLOWED WITHOUT THE PRIOR WRITTEN CONSENT OF THE ARTIST OR THEIR REPRESENTATIVE.

Please read the rider carefully. By signing the contract, you are agreeing to supply **IBIBIO SOUND MACHINE** (the Artist) with the production and proper working conditions essential to the performance. Any breach of the terms and conditions may cause the Artist to refuse to perform without releasing the promoter from his obligation to pay the Artist.

If you have any problems with any of the items listed, you must make contact with the booking agent or management as soon as possible or at least one month prior to the event.

If no contact is made, then it will be assumed the rider can be fulfilled to its full specification.

All items listed must be provided by the promoter at his/her sole cost unless confirmed otherwise with the artist and/or his representative confirmed in writing.

Should you not be able to meet all the requirements mentioned hereinafter, please inform the artist's agency and/or Management using the following contacts:

MANAGEMENT & TOUR MANAGEMENT:

MD / TM: Max Grunhard– maxgrunhard@hotmail.com

Booking agent: Owain Evans - owaine@freetradeagency.co.uk

USA / Canada booking agent: Phil Egenthal - phil@minttalentgroup.com

FOH Sound Engineer / Production: Maxine Gilmore - maxg44@virginmedia.com

Monitor Engineer: Gareth Finnegan - gareth@studiollama.uk

1. Advertising and promotion

1.1 Use of artwork, promotional material, photos etc. must be approved or provided by the booking agent or management.

1.2 The promoter cannot commit the artist to interviews, special appearances etc. without approval from the booking agent or management.

1.3 The promoter will provide 16 complimentary tickets for the Artist for their sole use with seats in preferred locations and an additional 8 tickets to the management for media and promotional purposes.

1.4 Photo / Recording all forms of recording including audio, video, television, radio, and all forms of digital recording of the performance are forbidden without consent from the artist.

All photographers must be confirmed and approved by the management and should adhere to the following rules: All pictures must be without flash, photographers are not allowed to go on stage, except the Festival/promoter photographers, they have access to the pit and in the venue among the audience.

1.5 All images and sound recordings are for promotional purpose only. If they are used for any commercial purpose IBIBIO SOUND MACHINE shall receive a remuneration and a specific contract will be signed between the label/band/management, the production company and the promoter.

2. Hospitality

2.1 Catering should be ready upon arrival on site. Dinner is generally served before the show. Hot meals **must** be composed of salads, main dish and dessert with drinks including tea and Coffee.
Instead of dinner, The Artist accepts a buyout of £20 per meal and per person.

Very important:-
1 x NO salt, meal options
Vegetarian options

Please provide backstage from arrival:
3x large bottles of Still Water
3x large bottles of Sparkling Water
10 x Small bottles for stage.
Coffee/Tea (English Breakfast & Green Tea/Herbal tea)
Fresh Fruit juice and sodas (Preferably Organic)
1 x Bottle of a high quality Dark Rum such as Diplomatico or Havana gold (**No Spiced or Lambs navy**)
1 x Bottle of high quality whiskey, such as Bunnahabhain 12 single malt or similiar
2 x Large bottles of Coca Cola
1 x Bottle of quality Red Wine
2 x Bottles of quality White Wine
20 x small bottles / cans of quality Beers (lager)
1 x milk, Organic Semi-skimmed
1 x jar Manuka Honey (where possible),
3 x Lemons,
1 x small bag of celery
Fresh Ginger (Preferably Organic)
Special request Kallo Rice Cakes
Chips, dips, olives, hummus, biscuits, fruits bread, pastries, cured meats, **unsalted** butter and cheese platters
Fruit Tray - Kiwis, oranges, bananas, grapes, strawberries, watermelon and mangoes
6 x avocadoes
6x bananas

2.2
(2) x **dressing rooms** are required by the artist, please have the rooms prepared and keys ready for the artists upon arrival. The dressing rooms should be clean, include free Wi-Fi, temperature controlled, iron and ironing board, holding a sofa, chairs for 7 people, coffee table, full length mirror, clothes rails, towels and should be adequately lit and lockable. A bathroom either in the dressing room or nearby within the backstage area should be available to the artist.

7 small, black hand towels for the stage

3. Accommodation / Travel

All transport and Hotel booking must be agreed in advance with the management.

Note: The artist will confirm the exact size of the travel party no later than 20 days prior to the performance as touring crew varies between locations/fly-ins etc.

3.1 Ground Transport. Please provide transportation from the train station/airport to hotel and venue and/or reimburse artist for any taxis, tickets (depending on contract). Please avoid low-cost Airlines such as RyanAir or Flybe or equivalent (EasyJet is acceptable). **Please note. We will always require 10 pieces of check in luggage purchased along with our flights**

Note: The artist is travelling with instruments and a minimum of 7 pax. Please provide appropriate transportation from airport to site and hotel.

3.2 Hotel. One (1) Double Room and eight (8) Single rooms (dependent on touring party, see above) with breakfast at a suitable hotel (not less than 3 stars. The Hotel should ideally be within walking distance of the venue (10min max). The rooms should be available upon arrival, with wifi and until the day after the performance with a late check out when needed.

The promoter will provide the full name, address and phone number of the hotel being provided at least 14 days prior to the performance.

Note: The booking agent will send the final rooming list (Depending on Travel Party) no later than 20 days before the performance.

4. Schedule

Load in and Soundcheck time must be a **MINIMUM OF 2 HOURS**. 3 hours total preferred. If the event is multi-bill, the changeover time needs to be no less than **45 minutes** (not including previous band move) and rolling risers **must** be provided, as to reduce running over the changeover time allotted. Soundchecks are closed and only necessary personnel must be present.

Note: Any conflicting schedule must be discussed beforehand and will be fully approved by the artist at least 20 days prior to the performance.

5. Parking

Secured parking should be provided at no cost to the artist and close to the loading bay. The artist will inform the venue in advance if more than one space is required.

6. Merchandising

The Artist should have sole and exclusive merchandise rights. The Artist should have a clean location close to the performance area setup for merchandise sales at least 1 hour prior and after show time. The merchandise area must consist of:

- one (1) table
- one (1) small lamp
- two (2) chairs.

7. Payments

Payment should be made as agreed in written confirmation with the booking agent. Please let us know one (1) month prior to the show if you need any additional documents to exempt any additional tax payment on
artist's behalf.

IBIBIO SOUND MACHINE Technical requirements

As of April 2025

IBIBIO SOUND MACHINE are a very dynamic band and require good quality equipment to ensure the best possible show

System
A true, professional stereo system actively crossed four ways. The system should be of a size suitable for the venue Speakers and amps are to be of a reputable manufacturer, cabinets placed discreetly to totally cover the auditorium. 100db c will need to be comfortably achieved at all areas.
Preferable makes are:
d&b, Meyer, L' Acoustics and Adamson. System should be free of hums and buzzes

Front of House
To be set in line with centre of the stage and on axis with PA. No more than 30 metres from stage and not in a booth. Snake to carry 48 lines from the stage, plus a returns muti with a '**talk to stage**'.
Desk to have 48 mono inputs,
Four band parametric eq, and at least four auxiliary sends. Eight sub groups and eight vca's.
Preferable makes are: Digico SD OR quantum. No SD9, S21/31 Allen and Heath S3000 or 7000. Yamaha: CL5, DM 7. PM. Soundcraft Vi. No Si compact. Midas: Pro3, 6 or 9, H, XL8 Main system, delays, flown, infills and front fills are to have 1/3 octave 31 band graphic equalizers inserted.
Where this is an analogue desk, KT DN360 graphics.
2 x Yamaha SPX 990 or TC M5000 plus 4 x D2.
7 x noise gates, Drawmer.
7 x compressors, DBX or BSS to be inserted, see attached channel list.
1 x Ipod playback.
An engineer with experience of the PA system and digital desks to be on hand for soundcheck and show
A couple of stagehands, also to help with load in and out

Monitor System
Desk to have 48 mono inputs with four band parametric eq, mute groups and 16 auxiliary sends.
7 x mono wedge mixes and 2 x stereo IEM mixes.1 stereo cue IEM and 1 wedge cue
Digico SDor Quantum. NO SD9, S21/31..Yamaha. CL5 ,PM. Soundcraft Vi. No Si, Midas Pro, H. H3000 X
7 auxiliary sends to have a 1/3 octave graphic equalizer inserted. Klark Technic BSS, if desk is analogue
9 x identical floor wedges (1 for monitor engineer and 1 spare) able to produce 500w RMS and to be bi-amped.
Custom monitors may not be appreciated. **Preferred makes are: d&b M2, M4 or L' Acoustics 115xt for upstage brass and bass, Meyer, Nexo.**
IEM's. 4 x complete Shure PSM 900–1000 or Sennheiser G3 / G4 wireless in-ear systems to be provided, with generic earphones.
1 for Lead vox,1 for Drums,1 for mons eng, 1 spare. If the hire is shared with other artists - please ensure we have access to them from our arrival on site. If this cannot happen, please make alternative arrangements to accommodate
4 x reverb. 1 for brass. 1 for lead vox.
Please provide an experienced house monitor engineer

Communication System
Please provide communication or shout system between monitor and FOH desk, lighting desk, and backstage

Power
PA to be on completely separate phase to lighting. Please supply 240v on UK sockets, to points around the stage. (See plan)

Stage: At least 12m x 12m

Microphones
Mics, Di's, mic cable and stands to be supplied. See input list Please contact me first, to discuss any substitutions of mics requested. *in the input list, denotes where we will supply our own di's

Safety
Cables are to be run and provision made, to secure and mask them in such a way that minimises any potential hazard. Please avoid running cables upstage to downstage.

Backline - Venue to Supply The Promoter / venue to supply where agreed in advance. See Page 9

Lighting.
We do not travel with a lighting engineer. Warm colours should be fine. No greens or reds on the faces of the band. We would like white spots for all performers in the band. Moving lights are accepted

Logo
We have a logo on a png file. Where possible, please can we access to your screen to display this. File to be sent on request

IMPORTANT Please have the whole system, set up and checked. The stage plugged in and tested prior to the artists' arrival. We require a minimum of 2 hours for set up and soundcheck
