CONFIRM / OPERATIONAL NOTES

- **Room timing:** each booking reserves 45 min before and after stage time; allow ≥15 min to reset between bookings.
- **Capacity:** Rooms 1 & 2 hold 2–3 each; mixed parties of 4–6 may use both. Room 3 holds about 6 (2 private changing areas); Room 4 for parties over 6.
- **Parade:** Eko team size not supplied; Saturday Room 4 provisional.
- **Gnawa:** rider gives no headcount; if over 6, Room 4 conflicts with Ibibio's 20:45 booking—revisit Sunday allocation.
- **Party counts:** Hope & Social rider says 8 (earlier draft said 4). Saigon's 7 includes tour manager; 6 musicians.
- **Technical riders:** use supplied artist riders/channel lists for complete equipment details. No DR2 / extra-stage details listed in working schedule.

KEY

DR = dressing room · **TM** = tour manager · **ch.** = channel
Room assignments are provisional where rider party size is missing.
